

WHAT to WEAR in Puerto Vallarta

Masks are **mandatory**
in most indoor areas.

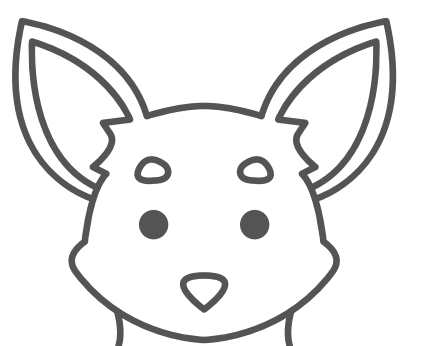

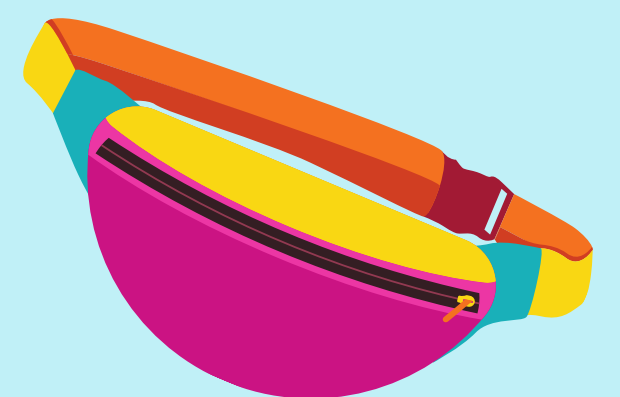

Pack for warm weather. Temps reach the 80's every day. You might want a light jacket for evening (Dec-March).

PV is very casual. A sundress with sandals is appropriate for even the fanciest restaurant. Guys, wear khaki shorts and a collared shirt at nicer places.

Comfortable shoes are a **MUST** for PV's cobblestone streets and uneven surfaces.

A fanny pack or crossbody bag will keep want-to-be pickpockets at bay.
